 - Students should be dropped off at the rear entrance of the building, accessible from Berlin Rd. Staff members will be on-site to welcome and ensure students enter the building safely.
- Bus Riders:
 - Busses will unload students at the front of the building in the horseshoe driveway. Staff will be available to welcome students and guide them safely into the building.
- Walkers:
 - Walkers should use the front entrance for their safety. Please remind students to stay alert and be cautious of traffic in the parking lot, including both cars and busses.
- Tardy (late)
 - If your student arrives after 7:45am., please park in the front and use the main entrance to enter the building and sign your student in.
